

The Western North American  
Region of The International Biometric Society

## The Western North American Region of The International Biometric Society Outstanding Impact Award and Lectureship Nomination Form

The **WNAR of the IBS Outstanding Impact Award and Lectureship** was established in 2021 to recognize an individual or a team, regardless of race, gender, sexual orientation, nationality or citizenship, who has made *a significant impact on our society through service and/or research in development and application of statistical, mathematical, and data science theory and methods in the biomedical and environmental sciences*. For example, awardees may be individuals or team whose research and/or service in biometrics has made a direct impact on serving underrepresented communities, promoting social justice, addressing environmental issues, or transforming scientific practice, and can comprise either a single contribution of extraordinary merit or an outstanding aggregate of contributions.

**Deadline, Eligibility and Award Recipient Responsibilities:** Refer to [WNAR Award Website](#)

**Questions:** Please send your questions to the Award Committee via email: [awards@wnar.org](mailto:awards@wnar.org).
